Engadine Lions have been in operation since 1994 after re-forming the defunct Engadine Wasps Rugby Union Club. After starting off as a juniors club, a senior mens team under Len Issa was formed in 1996.

After struggling in our first few seasons the club is now one of the strongest and most respected in the Illawarra.

During the clubs short history we have been able to grow to a three team club and have made Grand Final appearances on four occasions (2002, 2003, 2005 and 2008) with three Grand Final Wins. We also appeared in the 7's semi final series and won the Bowl at the Bowral 7's tournament in 2012.
